All prices in US Dollars and do not include applicable taxes, shipping, duties and customs fees. Prices guaranteed through 2008.

ITEM	PART #	DESCRIPTION	PRICE
MODEL 850	850-120	Price includes: Insertion-type sensor, electronic signal converter in NEMA 1 dust tight enclosure, 120VAC, 4-20mA output, 25ft. of interconnecting cable and safety chain	\$2420
MODEL 950	950-120	Price includes: Insertion-type sensor, electronic signal converter in NEMA 1 dust tight enclosure, 120VAC, 4-20mA output, 25ft. of interconnecting cable and safety chain	\$2600
PIPE INSERTION/REMOVAL ADAPTER	OPT-PIP	Includes all fittings in 316 Stainless Steel. Ball valve included. (option for insertion sensor only)	Add \$165
NEMA4X ENCLOSURE	OPT-N4X	Includes watertight enclosure and cable seals	Add \$310
DUAL ALARMS	OPT-ALM	Includes dual trip alarm unit with set point read and alarm indication on front panel	Add \$330
EXTRA CABLE	OPT-CAB	Per foot	Add \$1.60/foot
SUBMERSIBLE PROBE OPTION	OPT-SUB	Includes submersible probe with 50 feet of interconnecting cable (instead of insertion sensor with 25 feet of cable)	Add \$200
LIGHT SHIELD	OPT-LTS	Recommended for applications unprotected from ambient light (option for submersible sensor only)	Add \$250
PORTABLE POWER TRANSMITTER (12 Volt)	OPT-12V	Includes electronics to operate on 12 VDC at approximately 500 mA	Add \$250
PORTABLE POWER TRANSMITTER (24 Volt)	OPT-24V	Includes electronics to operate on 24 VDC at approximately 400 mA	Add \$310

SPARE PARTS & SERVICE

MET-ANA	Indicating meter (Analog)	\$200
MET-DIG	Indicating meter (Digital)	\$120
PCB-LMP	Sensor/lamp power supply	\$102
850-PCB	Main circuit board for Model 850	\$470
950-PCB	Main circuit board for Model 950	\$570
850-SEN	Insertion Sensor for Model 850 (no cable or fittings)	\$1140
950-SEN	Insertion Sensor for Model 950 (no cable or fittings)	\$1190
850-SUB	Submersible Sensor for Model 850 (WITH 50 feet of cable & fittings)	\$1340
950-SUB	Submersible Sensor for Model 950 (WITH 50 feet of cable & fittings)	\$1390
950-TRN	Signal converter in NEMA 1 enclosure 950	\$1350
	Sensor overhaul for Model 850 or 950 (For salvageable sensor - no Plastic)	\$750
850-STK	Sensor Stick Only for Model 850	\$770
950-STK	Sensor Stick Only for Model 950	\$880
850-PNL	Front Panel for Model 850	\$400
950-PNL	Front Panel for Model 950	\$350
FTG-INS	Swagelok Fitting (1" x 7/8") for insertion sensor	\$240
FTG-LTS	Swagelok Fitting (3/4" x 7/8") for light shield	\$200
	Labor to add Dual Alarms	\$80
	Labor to add NEMA 4X Enclosure	\$80
	Calibration/Recalibration 850/950	\$100
